and Business Studies Mahatma Gandhi University, Kottayam
& The Institute of Analytics (IoA), UK
to discuss the various spectrum of Analytics & Data Science Education.

IOA | Institute of Analytics
The Global Body for Analytics

The Institute of Analytics (IoA) is the Global Professional Body for Analytic and Data Science Professionals based out of UK. IoA is a not-for-profit organisation that exists to promote greater awareness, understanding and innovation in Analytics and Data Science. IoA is fully supported in their mission by leading organisations in the sector. The Institute of Analytics provides members with the opportunity to network with other professionals in the industry, to learn about career development opportunities, to share knowledge and expertise, to access Continuous Professional Development Programmes and entitles the members to use the official designation of the Membership.

IoA is very much committed to advance the study, application and standing of Analytics and Data Science; and to facilitate collaboration and participation among people interested in Analytics and Data Science throughout the world. The Institute is very keen to form industry standards by acting as an Awarding Body in the field of Analytics & Data Science and to seek national regulatory approval for the qualifications awarded. IoA works with Government, Academia and the Corporate Business Sectors to promote cooperation, research and employment growth in the Analytics & Data Science Sectors.

ISDC
International Skill Development Corporation
Skills for Tomorrow

ISDC - International Skill Development Corporation is one of the world's leading international providers for British Education & Skills. ISDC's scholastic association with the UK Skills Federation, Scottish Qualifications Authority, International Professional Bodies, and over 700+ Universities & Higher Education Providers lay out a thought-through strategy to create a nexus of a knowledgeable and skilled workforce around the world.

Diving into the sector of robust & compelling education and enthralled by the very notion to create a future generation that's industry-ready, ISDC empowers them with the right education & skills that can enhance their potential to become global leaders of tomorrow. ISDC focuses on internationalising education, creating global curriculums, strategising exceptional educational products and more.

മഹാത്മാഗാന്ധി സർവ്വകലാശാല, കേരളം
Mahatma Gandhi University, Kerala
महात्मा गांधी विश्वविद्यालय, केरल

Mahatma Gandhi University, commonly referred to as MG University, is a state owned public university headquartered in Kottayam in the state of Kerala, India. It was established on 2 October 1983 on Gandhi Jayanti day.[2] Mahatma Gandhi University (formerly Gandhiji University) has been approved by University Grants Commission (UGC) and accredited (A) by the National Assessment and Accreditation Council of India. The university has around 300 affiliated colleges spread over five districts in central Kerala.
